Sub:- Engagement of labour directly by SSAs/Unit administrations without Tenders –reg

In the Circle Council meeting held on 18.07.2017 under the Chairmanship of CGMT Punjab Circle, Chandigarh, the members from Staff side complained that some of the SSAs/units are engaging/hiring the labour directly for housekeeping and maintenance of services and payment is made directly by the management. This is a serious irregularity and all SSAs/Units are advised to abstain from such practices.

In this connection, the undersigned is directed to request all SSA/Unit heads to comply with the guidelines issued by Corporate Office from time to time with regard to labour laws.

Further all SSA/Unit heads are requested to report compliance within 15 days in this regard.
